(10 shares) 1 Taken5,000 .. ea.	

A commemorative or honorary gift may be offered by an individual, a family or an organization (over the three-year pledge period) in remembrance or in recognition of a loved one, friend or colleague as a truly unique and lasting expression of affection. The memorial or honorary designation becomes a permanent tribute of the donor's devotion and generosity, and offers the opportunity to give thanks for the blessing of family and friends.

Individuals who have contributed to Jubilee Renewal and are also making a pledge to Foundation for the Future may combine their gifts to select an item on this list.

The amounts listed above do not reflect actual costs but are established as guidelines for sacrifice and to absorb the overall building expenses.

Once selected, the memorial/honorary article becomes the property of St. Michael Parish.
